Our Heritage

James Galt is a company with a long history and rich heritage. Based near Manchester in Cheadle, Cheshire, England, we have 180 years experience in the educational and retail markets. James Galt set up business in 1836 in Manchester as a school bookseller. In 1848 he was granted a Royal Warrant by Queen Victoria. Over a period of years the business continued to develop as an educational bookseller, stationer and publisher.

In 1949 the Educational Division was established to meet the growing demand for school supplies. In 1961 the Galt Toys Retail Division was formed in response to the demand from parents for good quality educational toys. The first Galt Toy Shop was opened in Great Marlborough Street, London and in 1966 a Royal Warrant was granted by HM Queen Elizabeth II.

Galt Today

Galt Toys has come a long way since then. Our toys are now available in over 5000 outlets worldwide. From baby toys to puzzles, crafts to science kits, we offer a wide range of quality developmental and creative children's toys. We are proud to offer good toys which follow current trends and production standards yet continue to reflect our educational integrity. Galt Toys are carefully designed to meet the different stages of a child's development and encourage learning through play. All our toys are rigorously tested against toy safety regulations and are quality controlled to meet the highest standard.

First Years

Our First Years range features the Playnest, which provides multi-sensory stimulation while supporting baby during rest and play. The Two-in-One Playnest is an exciting new addition for 2016 with a soft resting area for a young baby on one side and a self-contained play environment for older babies on the other. Our new Junior Ball Run will delight young children as they place the smiley balls on the run and watch them travel down.

Active Play and Construction

Children have always enjoyed our classic Folding Trampoline and in 2016 we are launching the new Fold and Bounce Trampoline which is fully assembled in minutes and has spring suspension for bounce and durability. Our bestselling Marble Run construction range now features our exciting new Glow Marble Run and Super Glow Marble Run with see-through coloured pieces and glow marbles.

Learning through Play

Our Puzzle range includes the bestselling Magic Puzzles with rub-and-reveal patches and our classic 30-piece Giant Floor Puzzles with 8 animal shaped pieces. New additions for 2016 are 4 Puzzles in a Box - Fairies and Dinosaurs with 12, 16, 20 and 24 pieces and four new 100 Piece Puzzles including Pirates and Princesses. A new Tell the Time set is added to our Play and Learn range and we also continue to offer fun educational games for children aged 3 to 7 years.

Creative Activities

We have a strong reputation for Arts and Crafts with young artist's materials, repackaged for 2016, and imaginative children's craft kits. Our pocket money/party present Activity Pack range features 3 new products this year including Selfie Bracelets and Glider Planes. Crafty Cases are repackaged for 2016 and join Activity Cases in Creative Craft to give one comprehensive range including the new Beady Knitting kit.

Fun and Fashion

For 2016, we are adding 4 new kits to our Express Yourself range including ABC Beads and Best Friends Forever. Our Fashion Club, Fairy Friends and Sensational Sequins ranges also offer fun and fashionable activities with Sensational Sequins repackaged for 2016 and Fairy Beads added to the Fairy Friends range.

Stationery

The bestselling Water Magic range has three additions: Who's Watching You? featuring moving lenticular eyes and 6 amazing characters to reveal with the water pen plus Water Magic 123 and abc which make learning numbers and letters fun. Maze Pad and Fun to Colour book are also added to our popular Stationery range.

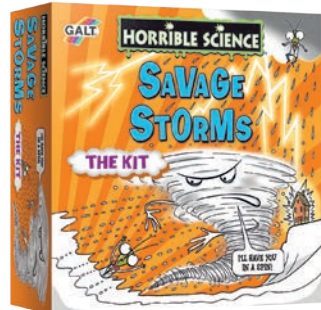

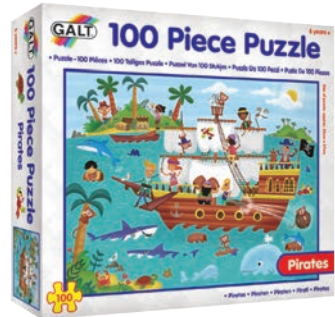

Science Products

Our Science Range features Horrible Science kits for age 6 to 13 based on the bestselling Scholastic books written by Nick Arnold and illustrated by Tony De Saulles and Robo Crew kits for the younger scientist. The Horrible Science range is repackaged for 2016 with two exciting new products, Bonkers Bubbles and Savage Storms.
