## Our Heritage

James Galt is a company with a long history and rich heritage. Based near Manchester in Cheadle, Cheshire, England, we have over 180 years' experience in the educational and retail markets. James Galt set up business in 1836 in Manchester as a school bookseller. In 1848 he was granted a Royal Warrant by Queen Victoria. Over a period of years, the business continued to develop as an educational bookseller, stationer and publisher.

In 1949 the Educational Division was established to meet the growing demand for school supplies. In 1961 the Galt Toys Retail Division was formed in response to the demand from parents for good quality educational toys. The first Galt Toy Shop was opened in Great Marlborough Street, London and in 1966 a Royal Warrant was granted by HM Queen Elizabeth II.

## Galt Today

Galt Toys are now available in over 5000 outlets worldwide. From baby toys to puzzles, crafts to science kits, we offer a wide range of quality developmental and creative children's toys. We are proud to offer good toys which follow current trends and production standards yet continue to reflect our educational integrity. Galt Toys are carefully designed to meet the different stages of a child's development and encourage learning through play. All our toys are rigorously tested against toy safety regulations and are quality controlled to meet the highest standard.

## First Years and Ambi Toys

Our First Years category features the Playnest, which provides multi-sensory stimulation while supporting baby during rest and play. For 2019, we are delighted to announce The Very Hungry Caterpillar™ Playnest, based on The World of Eric Carle's timeless storybooks. The Activity Ball joins our fabric covered inflatable range, ideal for travel. We continue to offer the classic range of Ambi Toys and are introducing Tick Tock Clock for 2019, a delightful activity toy that encourages time-telling skills.

## Active Play and Construction

Featuring our classic Folding Trampoline, Active Play also includes a fun tortoise Nursery Trampoline and our Fold and Bounce Trampoline which is fully assembled in minutes. Marble Run Reactions, a chain reaction construction set, is an exciting new addition to our Construction category for 2019. This joins our bestselling Marble Run range, including the Marble Racer, and our classic Octons range.

## Puzzles and Games

For 2019, there is a new 30-piece Giant Floor Puzzle, Theme Park, with 8 pieces in the shape of rides or attractions. 4 puzzles in a box, Jungle, adds another fun theme to the range. Our Play and Learn category has 3 exciting new additions: Jungle Floor Dominoes, Magnetic Letters and Cosmic Coding, a fun board game designed to introduce children to coding and the basic concepts of computer science.

## Creative Activities

We have a strong reputation for Arts and Crafts with young artist's materials and imaginative children's craft kits. Non-Spill Pots, Giant Chalk and a Pencil Set are added to our Young Art range for 2019. Our Activity Packs feature 3 new products: Make-Up Kit, Cute Locket and Clay Cars, with fun dog and frog characters to model, then pull back and race! Crafty Club features colourful sewing and knitting kits for children from 6 years. For 2019, Sparkle Body Art and Hair Studio are new additions to Creative Cases alongside

French Knitting and Animal Pottery, a pottery kit using traditional techniques to make 6 fun animals. Our Fairy Friends range offers younger products with a cute fairy theme.

## Stationery

The bestselling Water Magic range has a fun new title, Water Magic Unicorns, with 6 reusable pictures to reveal with the water pen. For 2019, our popular Stationery range has 3 new additions: Reusable Stickers Books – Animals, Dinosaurs and Farm, featuring 8 background scenes with over 150 reusable stickers to create fun scenes with animals and dinosaurs.

## Explore and Discover

Our Explore and Discover range, designed to encourage early STEM learning, features 5 new Lab Kits for young scientists aged 5 to 8 years. We are introducing new mini science kits for 2019, including Dino Lab, Bubble Lab, Kitchen Lab and Slimy Lab – perfect pocket money kits. Space Lab joins our large Lab Kits and explores the wonders of the universe!

## Horrible Science

Ghastly Glow, Perilous Planes and Chaotic Kitchen Experiments, are added to our Horrible Science range for 2019, for ages 6 to 13. Based on Scholastic's bestselling books written by Nick Arnold and illustrated by Tony De Saulles, these Horrible Science kits are exactly that – science with a truly horrible twist.

Ambi Toys with their simple lines, imaginative features and purity of colour have stood the test of time. Many of these toys designed in the 70s and 80s by Patrick Rylands, an award winning British designer, are still in production today. Babies and toddlers are not interested in passing trends, fashion colours or the latest gadget. They need well designed and reliable toys which don't disappoint during play and encourage development. Ambi toys are still satisfying these needs and are a continuing source of learning and fun.

Folding Trampoline

Age: from 3 years

A junior trampoline with an easy grip handle to encourage children to exercise and keep fit! Suitable for both indoor and outdoor use, the trampoline has a tough weatherproof mat and tubular steel frame with a durable coated finish. For extra safety, the padded cover around the mat cushions the frame and prevents children from stepping through the bungee cord. The handle simply screws off and the legs fold down for ease of storage. Adult assembly required; detailed assembly instructions included.

Assembled dimensions:  
82cm (32 1/4") from floor to handle,  
86 x 86cm (33 3/4" x 33 3/4") frame.
