The GALT logo is centered in the upper half of the slide. It features the word "GALT" in a bold, black, sans-serif font, with a registered trademark symbol (®) to the upper right of the "T". The text is contained within a white, rounded rectangular box. Behind this box is a vibrant, multi-colored brushstroke that resembles a rainbow, with colors transitioning from yellow on the left to red, orange, pink, purple, blue, and green on the right. The entire logo is set against a solid blue background.

In 1961 the Galt Toys Retail Division was formed in response to the increasing demand for quality educational toys. To showcase these inspirational and innovative products, the first Galt Toy shop opened in Great Marlborough Street, London, in 1961. In 1966 a Royal Warrant was granted by HM Queen Elizabeth II. Today, Galt Toys are available in over 5,000 outlets worldwide.

## ambi toys®

Comprising of the delightful First Years and Ambi Toys ranges, Infant Toys stimulate touch, vision, and hearing for hours of enriching playtime. Sensory play encourages discovery and independent thinking and provides young minds with new and exciting experiences that will keep them curious as they grow.

## Playnest® – Farm

- A fabric covered inflatable ring that provides a soft resting area and self-contained play environment for babies and toddlers.
- Partially inflated ring offers head and neck support to very young babies when lying down.
- Baby can reach out and explore the 8 multi-sensory features around the Playnest® safely.
- Playnest® activities stimulate touch, vision, and hearing.
- Fully inflate to provide an excellent place for baby to sit while playing with other toys.
- Deflate to fold up for travel.
- Fabric cover has a soft quilted centre for comfort.
- Machine washable.
- Outside diameter: 90cm (36").

## trampolines

## active games

The Active Play range from Galt features colourful, fun-filled activities and games designed to encourage body movement and coordination skills. Playtime is one of the main ways which children learn and develop, and these vibrant, high-quality toys will encourage children to discover just how much fun physical activity can be.

Helps encourage children to exercise

## Folding Trampoline

- Junior trampoline with an easy-grip handle.
- Encourages children to exercise and keep fit.
- Suitable for both indoor and outdoor use with tough waterproof mat and tubular steel durable coated finish.
- Padded cover around the mat cushions the frame and prevents children from stepping through the bungee cord for extra safety.
- Handle simply screws off and the legs fold down for easy storage.
- Adult assembly required; detailed instructions included.
- Assembled dimensions: 82cm (32 1/4") from floor to handle, 86 x 86cm (33 3/4" x 33 3/4") frame.

REF: A2500H

Includes 2 fun Water Magic books!

Science toys from Galt encourage children to discover new ways of thinking and be curious about the world around them. They will be introduced to early STEM learning through engaging hands-on experiments, developing problem-solving and critical thinking skills. As part of the Science category, the Explore and Discover range is compatible with the National Curriculum and complements school learning.

- Early STEM Learning
- Compatible with the National Curriculum
- Encourages scientific thinking

With the Explore and Discover range, children can uncover the wonders of science and learn about the world around us. These exciting kits for young scientists all include a full colour lab book with exciting experiments. Explore and Discover Lab Kits for children aged 5 to 8 years will encourage early STEM learning and scientific thinking while having fun!

## Nature Lab

- Young scientists can learn all about the natural world as they grow plants from seeds and create a rainforest scene with wooden animal markers.
- Includes 4 fun experiments.
- Contents:** 3 packets of seeds, biodegradable tray, 3 wooden plant markers, card scene, plant life cycle poster, 4 nature scavenger hunt sheets, sticker sheet and full colour 16-page Lab booklet.

REF: 1005338

Bar Code: 5011979 607577

5+

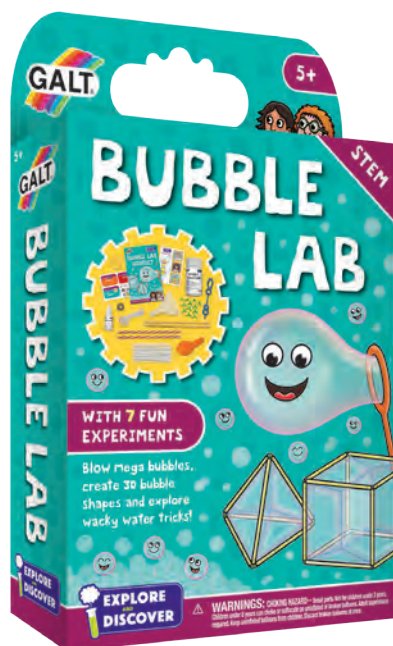

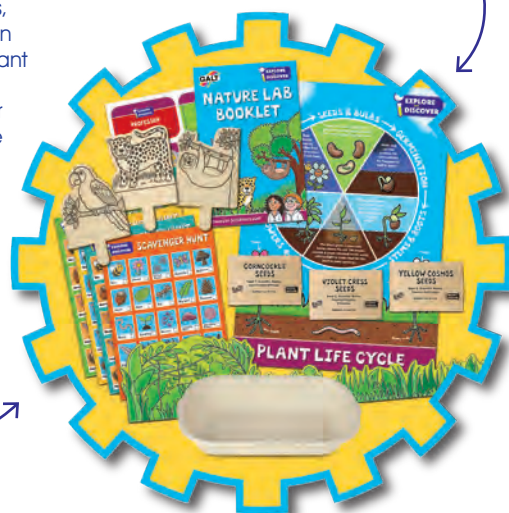

STD 6

265 x 155 x 50mm  
10½" x 6¼" x 2"

With 3 different seeds to grow

4 fun experiments

## Bubble Lab

- Young scientists can learn how to blow mega bubbles, create 3D bubble shapes, make a bubble snake and discover exciting water tricks.
- Includes 7 fun experiments.
- Contents:** bubble solution, bubble wand, glycerine, funnel, 2 wooden sticks, 12 connectors, 20 reusable straws (18 clear and 2 striped), balloon, 2 rubber bands, string, washer, printed card pieces, stickers and full colour 16-page Lab booklet.

# HORRIBLE SCIENCE

Based on the bestselling books written by Nick Arnold and illustrated by Tony De Saulles.

Based on Scholastic's bestselling books written by Nick Arnold and illustrated by Tony De Saulles, these Horrible Science kits are exactly that – science with a truly horrible twist. Each kit includes an illustrated Lab Notebook or Horrible Info Leaflet, packed full of awesome experiments guaranteed to turn stomachs and blow minds! Science has never been so horrible!

Horrible Science® is a registered trademark of Scholastic Ltd and is used under authorisation. All rights reserved. Licensed by Scholastic Ltd through Rocket Licensing Ltd.

## Mighty Magnets

- Build a rolling robot, perform levitation tricks and make a rattle magnet racket.
- Discover how magnets can propel a full-sized train, how magnets are used to see inside the human body and other foul facts.
- **Contents:** 3 ring magnets, 2 rattle magnets, magnetic wand, card robot pieces, 4 wheels, 2 straw axes, levitation stand, Andy Mann card sheet, string with connectors and 'Horrible Info' leaflet.
